01962804887

Narayangonj, Bangladesh

I am a skilled web developer with almost 2 years of experience in building responsive and dynamic websites using HTML, CSS, JavaScript and WordPress. I have a strong understanding of web development principles and am able to deliver projects within tight deadlines while ensuring high quality and functionality. With a CS50 degree and experience working with freelance clients, I am a motivated and detail-oriented developer who is passionate about creating engaging and user-friendly websites
